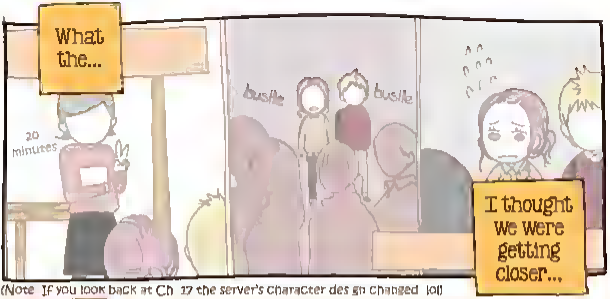
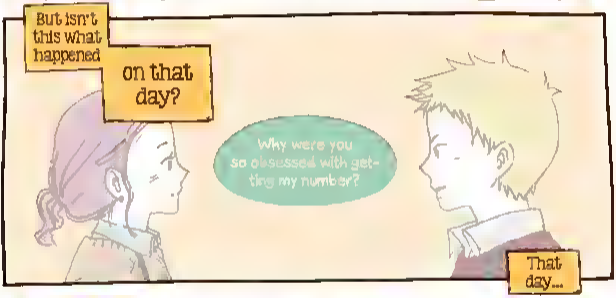
Was there really no reason?
About us... constantly contacting and meeting each other...

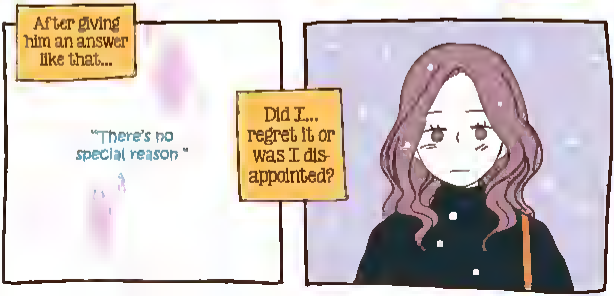
THE STORY OF SOMEONE WE KNOW
아는사람 이야기

Ep. 27. Christmas Eve



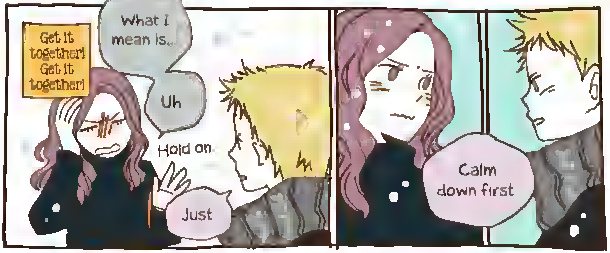
(Note: If you look back at Ch. 37 the server's character design changed lol)



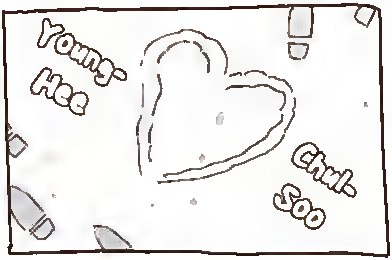


Ahhh...
I was...
not mad at myself who answered the question...
But at the man who asked it.
Excuse me!
?
Don't go making assumptions about other's feelings!

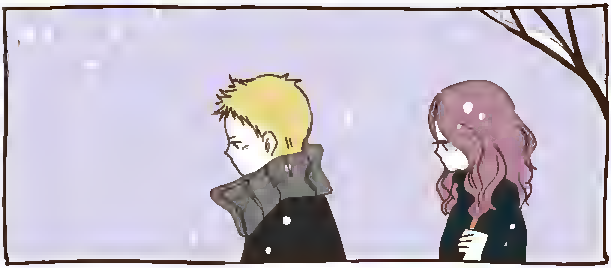
You did this once already, remember?
Gong Pyung-Hwa-ssi and I...
It's snowing
KYA
A white Christmas memento!!
I am...
not as brave
as you think I am...
Wh Why am I
Ah.
the only one that has to muster up courage and call?
What am I saying? Everything I bottled up just poured out in a torrent...
Also I'm not even that honest Why are you just assuming things about me?
Also.. If you think that I'm brave and honest can't you be brave and honest for once?

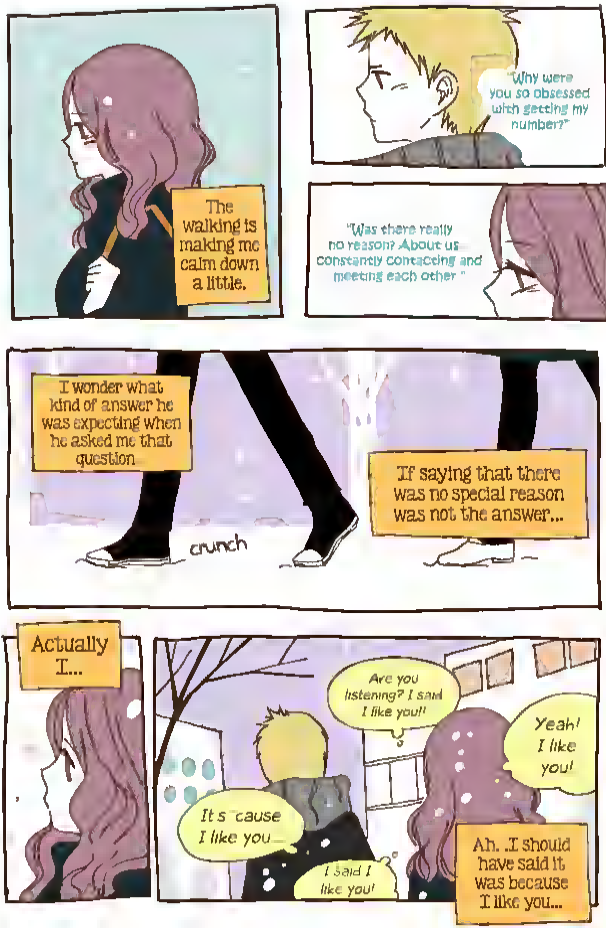


Get it together! Get it together!
What I mean is...
Uh
Hold on
Just
Calm down first



Young-Hee
Chul-Soo





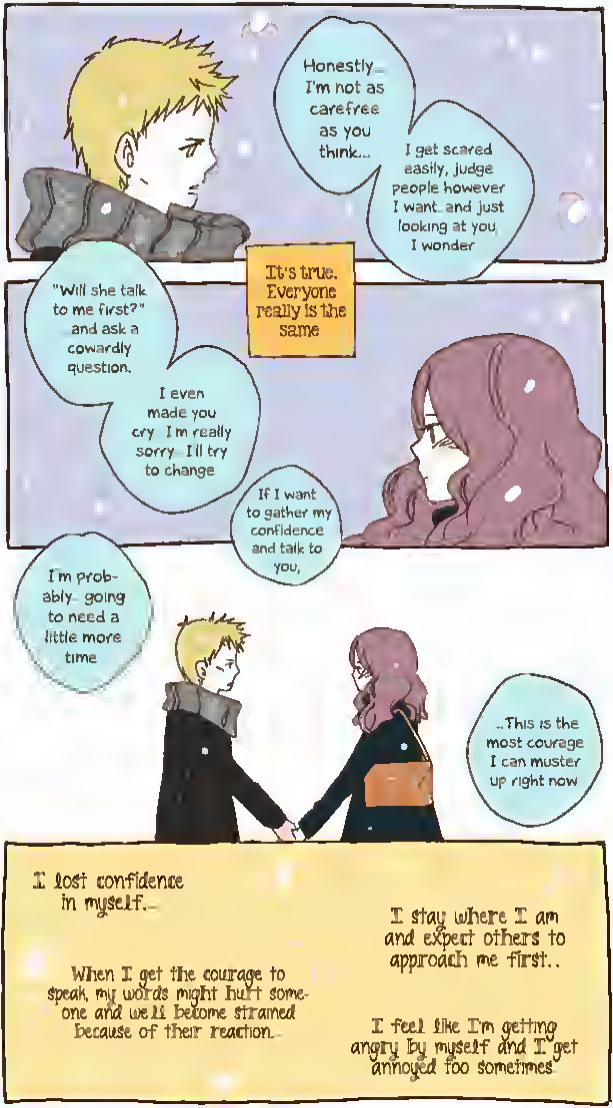
The walking is making me calm down a little.
"Why were you so obsessed with getting my number?"
"Was there really no reason? About us constantly contacting and meeting each other."
I wonder what kind of answer he was expecting when he asked me that question.
crunch
If saying that there was no special reason was not the answer...
Actually I....
Are you listening? I said I like you!!
Yeah! I like you!
It's 'cause I like you...
I said I like you!
Ah. .I should have said it was because I like you...

No...It'll look like I'm the only one still hung up about it.
Uw
ah
.. Uh... But what if we become awkward again..
Are you alright ?
Huh? Yeah!!
It would be great if..
we could just take that one step..
I'm really alright
Ahahaha Hahaha
That's a relief
Are you cold?
N-No
Then should we keep walking?

You approached me first...
Yes
Ah... I feel lonely for some reason
Wait
Ah...

crunch
Embarrassed for crying
crunch
Um.
Let me... explain myself.
nod

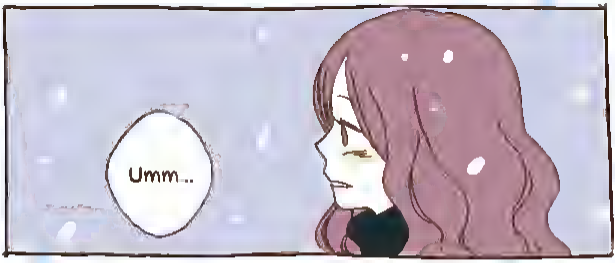
I'm a student There's still a long way to go before I can graduate
I often do part-time jobs and I barely make ends meet
As you can see, I'm not good at comforting people, so the people around me get hurt...
And... also
I'm... short
so you can't wear high heels like today...
bobble bobble
Ah What I wanted to say was...
To suppress these short-comings
and muster up my courage...
I don't have con-fidence to do that.
Confi-dence.
That's what it was
What if you were the first to confess...?
I'm not confident enough
People are all the same...



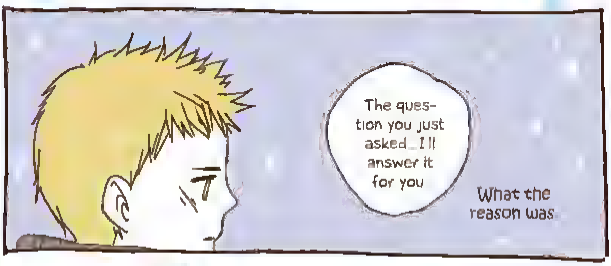
Honestly... I'm not as carefree as you think...
I get scared easily, judge people however I want and just looking at you, I wonder
It's true. Everyone really is the same
"Will she talk to me first?" and ask a cowardly question.
I even made you cry. I'm really sorry. I'll try to change
If I want to gather my confidence and talk to you,
I'm probably going to need a little more time
..This is the most courage I can muster up right now
I lost confidence in myself..
When I get the courage to speak, my words might hurt someone and we'll become strained because of their reaction..
I stay where I am and expect others to approach me first..
I feel like I'm getting angry by myself and I get annoyed too sometimes

For a moment... I tried to step into his shoes
and look at what happened that way...
"Was there really no reason?"
"Ah- Ah- It's like that."
"Play with me."
"I thought you were a person with courage"
The things he had a hard time voicing...
His true feelings that I couldn't read no matter how hard I tried.
Because of my stupid answer...
I can tell how fast her heart is beating by her hands
He must have been more worried about it than I was...

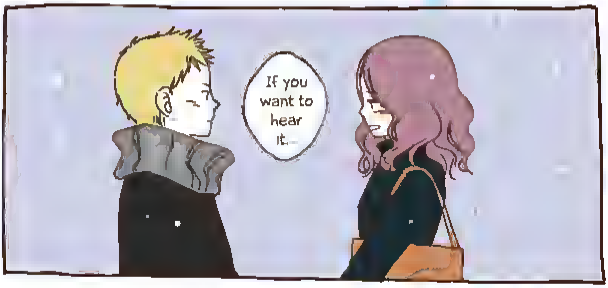
The person who makes me cry, laugh, sad, cry, and laugh



The one who mustered up his "courage" more times than I did



So this time I will



Play with me tomorrow..
